

The Mobile Gateway Park is a 189-acre site located in Mobile County, AL. The site has access to BNSF Railway and has received certification as part of BNSF Railway's Site Certification program. BNSF certification ensures a site is ready for rapid acquisition and development through a comprehensive evaluation of existing and projected infrastructure, environmental and geotechnical standards, utility evaluation and site availability.

SELECTING A CERTIFIED SITE CAN:

- Reduce development time
- Increase speed to market
- Reduce upfront development risk of rail-served industrial sites

PROPERTY DETAILS

This prime 189-acre industrial site in Creola, Alabama, offers outstanding connectivity and logistics advantages. Just 2.4 miles from Interstate 65 and 19 miles from I-10, it provides seamless access to major transportation routes. Located approximately 16 miles north of Mobile, the site is a quick 20-minute drive from the Port of Mobile. Zoned for M-1 Industrial use, it features a siding track with direct access to BNSF's mainline via Genesee & Wyoming's Alabama & Gulf Coast Railway (AGR), a BNSF Shortline Select™ Partner. This strategic location is ideal for businesses seeking efficient and reliable industrial operations.

Site Details:

- Total site is 189 acres with 154 readily developable acres

BNSF PREMIER PARKS, SITES AND TRANSLOAD PROGRAM

BNSF Certified Sites are a part of the Premier Parks, Sites and Transload program which is a strategic approach to addressing the increasing demand for customer site locations by developing various types of facilities across the BNSF network. BNSF Certified Sites have been reviewed by an industry expert in order to ensure accurate, reliable data. Our goal is to provide an inventory of rail-served sites that are available for immediate development.*

* In order to ensure a safe, efficient and economical switch operation, BNSF will want to review and approve the engineering plans to serve each tenant facility.
